SECURITIES TRADING ACT (WpHG)**

**exceet Group reports strong revenue growth after nine
months**

Luxembourg, 20th of October 2011 – The preliminary, unaudited consolidated revenue of exceet Group SE amounted to EUR 128.9 million in the first nine months of the 2011 financial year. This represents an increase of over 51% compared with the consolidated revenue of EUR 85.1 million in the same period of the previous year. A significant portion of this revenue growth is attributable to organic growth. Especially the positive development in the medical technology area attributed to this increase.

Following strong growth over recent quarters, exceet Group SE confirms the positive expectations regarding Group revenues. On the basis of its continuously strong order book position, exceet Group SE anticipates the continuation of strong revenue growth for the ongoing 2011 financial year, and from today's perspective is assuming that 2011 revenue will register significant year-on-year growth.

As planned, exceet Group SE will publish its full interim report from the third quarter of 2011 on November 23, 2011.
