## **New member in the exceet Group: acquisition of Inplastor GmbH complete**

- **Leading role in loyalty and ID security solutions in Germany, Austria and Switzerland enhanced**

**Luxembourg, 24<sup>th</sup> of January 2012** – On 23rd of January exceet Group SE, a leading provider of integrated electronic products and solutions, is completing its acquisition of Inplastor GmbH, the Austrian full-service provider of card-based loyalty and ID security solutions. Inplastor has many years of experience in the production of plastic and chip cards and offers a wide range of services.

Through this step the exceet Group expands its portfolio with another innovative provider specifically serving the Austrian market, hence strengthening its leading role in card-based loyalty and ID security solutions in German-speaking countries. “The integration of Inplastor sees us further expand our activities in loyalty and security, increasing our portfolio with yet another innovative partner”, says exceet CEO Ulrich Reutner about the successful acquisition.

As part of the exceet Group, Inplastor has further opportunities to develop by taking advantage of numerous shared solution and production synergies. “This step was important for us in our consistent pursuit of growth”, says Andreas Korger, a member of Inplastor’s executive management. Based in Vienna, the company employs around 30 people and produces 25 million cards annually.

Besides the quickly growing market in security solutions, loyalty is one of Inplastor GmbH’s key lines of business. Due to strong competition in the retail trade and among service providers, it is steadily gaining in importance and in the number of companies using it. Inplastor’s customers include Austria’s largest retailers and it is there market leader in individualised and personalised loyalty solutions.
